STIPULATION AND [PROPOSED] ORDER TO ALLOW APPLEE TO EXCEED PRINCIPAL BRIEF PAGE LIMIT PURSUANT TO NORTHERN DISTRICT CIVIL L.R. 7-12

The Honorable James Ware

26 This Stipulation is made under Northern District Civil L.R. 7-12 by and between  
27 Appellant, A.C. Spicer and Appellee Sarah Cecconi (hereinafter the "Parties"), by and through  
28 their attorneys of record with regard to the appeal taken from the judgment entered by the  
Bankruptcy Court on July 2, 2007 in the above-captioned case.

1 Appellee filed her Appellee's Brief on October 10, 2007 under the impression that Bankr.  
2 Rule 8010 set a limit of 50 pages for appellee's brief herein and overlooked Northern District  
3 Civil L.R. 16-4 setting a 25 page limitation for such brief. Appellant objected to the oversized  
4 brief. Given the numerous issues raised on this appeal, the length of the trial and the record in  
5 this case, the Parties agree and stipulate that appellee Sarah Cecconi shall be excused from the  
6 page limitation contained in Civil L.R. 16-4 and shall be allowed (nunc pro tunc) to file her  
7 Appellee's Brief totaling 47 pages, excluding tables and cover page, and that appellant's time for  
8 filing his Appellant's Reply Brief shall be extended by ten days from October 26, 2007 to  
9 November 5, 2007.
